With over 125 years of experience making cooking equipment, and as the leading manufacturer of high-performance commercial-style ranges for the home, it is no surprise that BLUE STAR makes the finest residential ranges available. The unparalleled accuracy of gas surface cooking make this an unsurpassed addition to every cook's favorite room in the house. Heavy-duty construction combined with innovative features produce an appliance of uncompromising durability, functionality, and beauty that will be the focal point of your kitchen for years to come!

BlueStar Heritage Classic Cooktop Series

- The most powerful burner available. 22,000 BTUs.
- Heavy-duty commercial stainless steel construction.
- Automatic electronic ignition and re-ignition system.
- Push-to-turn, infinite setting NOVA™ and SUPERNOVA™ top burner controls with new 130°F simmer setting.
- Heavy-duty control knobs.
- Removable drip trays with steel roller bearings.
- One year parts and labor warranty.

NOVA™, ULTRANOVA™ and Simmer Burners

Our cast iron porcelain-enameled NOVA™ and ULTRANOVA™ top burners are the most versatile burners in the industry. The NOVA™ burner provides up to 15,000 BTUs of cooking power. For that extra boost, the ULTRANOVA™ delivers an amazing 22,000 BTUs; a rapid boil or superior sauté is never a problem! When using our gentle 130°F simmer burner, delicate sauces and soups are made simple with superior temperature control and flame disbursement.

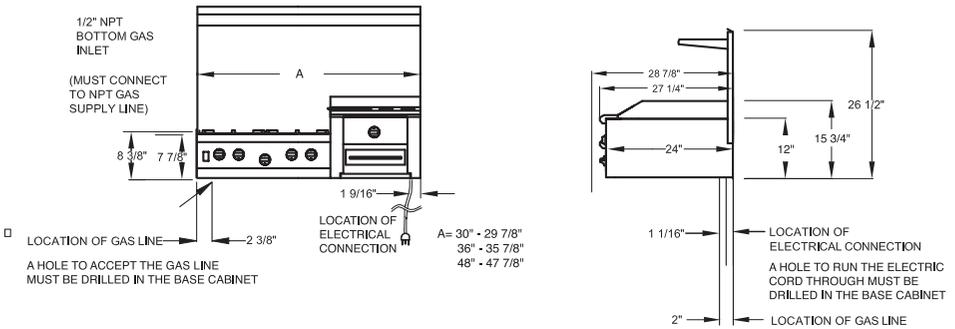

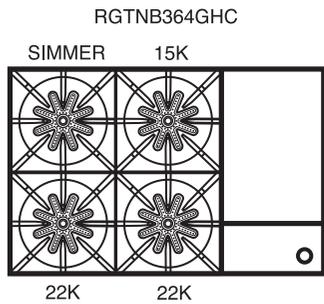

Full Motion Grates

Bring sauce to a boil while stirring on a front burner, then slide it to the rear to simmer while you sauté up front! Our full motion grates allow you to easily reposition pots and pans from front to rear burners without lifting. The grates are also oversized to accommodate the largest stock pots and sauté pans.

BLUESTAR HERITAGE CLASSIC COOKTOP SERIES
