Our cast iron porcelain-enameled ULTRANOVA[™] top burners are the most versatile burners in the industry. When using our gentle 130°F simmer feature, delicate sauces and soups are made simple with superior temperature control and flame disbursement.

Full Motion Grates

Bring sauce to a boil while stirring on a front burner, then slide it to the rear to simmer while you sauté up front! Our full motion grates allow you to easily reposition pots and pans from front to rear burners without lifting. The grates are also oversized to accommodate the largest stock pots and sauté pans.
