

# TREND SPOTTING:

## *Approachable Pro Style*

**Franke Chef Center** – a sink solution with customized accessories that streamlines food prep and simplifies cleanup

**Blue Star 36"** built-in refrigerator with full extension tray that fits commercial size sheet pans

**Park Harbor Mini Pendant**

**Thermador 60" Pro Grand®** Range featuring two large ovens, six burners, electric indoor grill and griddle

**Monogram 30"** Indoor built-in pizza oven

**Delta Trinsic® Pro** kitchen faucet with true pull-down functionality

Whether you're a budding home chef or culinary maestro, now more than ever, you are able to enjoy the benefits of commercial grade kitchen fixtures and appliances without them necessarily having to look that way. *Approachable Pro* style products are elegant, understated and integrate seamlessly with a variety of design choices, while maintaining high-powered performance and hard-working functionality. Consider these upgrades to elevate your kitchen's style and efficiency.

*Approachable Pro* appliances offer innovative, intuitive and user-friendly functionality. To offset their oversized commercial grade features and large scale, choose an appliance with a colorful finish for a softer and more welcoming appearance. Select a kitchen faucet that can quickly power away dirt from pots and pans, yet has the flexibility to gently rinse delicate fruits and vegetables without bruising. Streamline food prep and simplify cleanup by pairing the faucet with a sink with customizable accessories for organization. Complete the look with task lighting above cooking stations, accent lighting over your bar or kitchen island and decorative lighting near sitting and dining areas.

To get the products the pros use and add style to your culinary command center, visit [FergusonShowrooms.com](http://FergusonShowrooms.com) or your local showroom for additional inspiration.
