## MOST INNOVATIVE PRODUCTS

*Smart function, sophisticated style, and cutting-edge technology—that's the winning formula behind these products that redefine the kitchen and bath environment.*

WRITER *Debra Steilen*

2017

**8 DECADENT  
DELUGE**

Whether mounted on the ceiling or a shower arm, this 1/8-inch-deep showerhead cascades a relaxing stream of water from overhead. Use this mighty rainmaker in any size shower. Ultra Thin Rain Showerhead (\$540–\$745 depending on finish). Rohl; [rohlhome.com](http://rohlhome.com)

**9 PERSONAL  
PIZZERIA**

Pizza lovers: Thrill to a built-in oven that heats up to 800 degrees and offers preset cooking options for specialty pies. No special installation, construction, or ductwork is needed. Monogram Pizza Oven (\$9,900). GE Appliances (a Haier company); [monogrampizza.com](http://monogrampizza.com)

**10 STONE-COLD  
STYLE**

Carved from a single block of smoky-gray granite, this organically contoured tub doubles as a tranquil retreat and a design statement. Papillon Cumulo Granite Tub (starting at \$25,500). Stone Forest; [stoneforest.com](http://stoneforest.com)

**11 MODERN  
ATTITUDE**

Celebrate urban living with a contemporary sink seamlessly integrated into either a solid- or quartz-surfacing countertop. Industrial Loft Bath Sink, Chic 7722, (\$125–\$275). DuPont; [shapes.corian.com](http://shapes.corian.com)

**BUILT-IN BEAUTY**

Cook and entertain in style with a 36-inch refrigerator that's so roomy the freezer holds commercial-size sheet pans. Choose from 750 exterior colors and 10 trim options to wrap around a stainless-steel interior. Built-In Refrigerator (starting at \$9,850). BlueStar; [bluestarcooking.com](http://bluestarcooking.com)
